

Mentor Enrollment Guide

Dear Mentor,

Foremost - thank you! We're so proud to have you become a part of Generation Success's story, spanning over a decade of work with young people and #MoveToEquality.

We can vouch for the advantages of having a personal mentor in place and giving our mentees the chance to learn and express themselves in a supportive and safe atmosphere, which helps them overcome obstacles and pave the road to setting and achieving specific goals.

We appreciate you taking the time to meet with your designated mentee because we know how much time goes into the preparation and participation in these sessions.

We use a platform (powered by Chronus) to house our mentors and mentees. This platform is made to offer an overview of the coaching system, checklists and checkpoints, reminders, and forms to gather feedback from our partners.
